ACADEMIC INFORMATION

Graduation Requirements - A grade average of 85% is required for graduation from any program at The Academy. Both theory and practical work are considered important. Students are evaluated on a level system that prepares them for salon performance levels. All work must be completed to graduate.

The following are required for graduation from all programs:

- 1) Completion of state required number of hours
- 2) Completion of all assignments, course work and tests.
- 3) An 85% attendance and 85% grade average.
- 4) An Exit Interview should be scheduled within fourteen (14) days after completion of all hours and curriculum/tests are completed.
- 5) All tuition payments must be up to date according to contract, or arrangements made at your Exit Interview. **Hours will be turned in to the Tennessee Board of Cosmetologist and Barber Examiners once your account balance has been settled. Any account that goes without payment for 30 days may be turned over to collections.**

Graduation – A Graduation ceremony is scheduled for each Cosmetology class. Graduates earn a diploma.

Grades - The Academy uses a 100-point grading scale: 85 - 100% is passing, 0 - 84% is not passing. Grades are given for classroom work, projects, and styling area/clinic performance. Work habits, appearance, conduct, initiative, cooperation, and attendance are also considered.

Classroom grading scale

- 95 - 100 EXCELLENT
- 90 - 94 VERY GOOD
- 85 - 89 SATISFACTORY
- 0 - 84 BELOW STANDARDS – UNSATISFACTORY

****The Salon Area Grading scale is based on a 1-3 Grading scale.**

- 1 = 75% Needs improvement
- 2 = 85% Meets standards
- 3 = 100% Exceeds standards

Incompletes - Incompletes may be given by the educators when the student is making every attempt to learn a skill or subject but requires additional time to complete the work successfully. Educators determine the time to complete the work. The student will be given a deadline and description of work that must be completed.

Inadequate Grades - When a student is weak in one or more areas of study or skill, the educators will determine a deadline for the student to complete the work satisfactorily. Inadequate grades may indicate lack of motivation as well as inability. The student will be informed immediately after a grading period how a deficiency can be corrected. If needed, based on assessment, a student may be asked to retake a specific skill set.

Insufficient progress is determined by inadequate grades and/or failure to participate in the student level system.

Suspension (In School Suspension)

A student may be subjected to in school suspension or dismissal for not following these policies: Students may be suspended for poor performance, excessive absence, excessive tardiness, insufficient progress (below 85% GPA/85% attendance), disrespect, or inappropriate behavior including but not limited to bad attitudes. Suspension or dismissal is at the discretion of the Academy, and is a possible remedy for any behavior depending on the nature and severity of the conduct in question.

If a student is suspended, the student will be advised about what the student must do to correct the problem.

- First Suspension: One Day
- Second Suspension: Three Days
- Third Suspension: Five Days
- Following Suspensions: May be grounds for dismissal, and will require a formal meeting with School administrators and/or owners to discuss the students willingness to complete the program.

**Please note that In-school suspension will be issued by School Coordinator or Educator for a future salon floor day – so that students are not taken out of the classroom environment.*

If a student is not so inclined and has limited likelihood of success in this career, it is the responsibility of the school to inform the student and to tell the student how deficiencies could be corrected or if they should drop from the program.

Grounds for Termination - The Student's enrollment may be terminated by The Academy for failure to meet any of the policies including insufficient progress, failure to work within the student level system, nonpayment of tuition, failure to comply with rules or policies per the Student Policy Handbook. In the case of termination by The Academy, the Student will receive a refund, according to the Academy's Refund Policy.

Complaint Procedure - In the event a student has a complaint that needs to be addressed, the student should follow this procedure: Submit a signed complaint in writing to an educator. Upon receipt of the complaint, an educator reviews it. The student will then be notified as to how the issue will be resolved. If this is not satisfactory, the issue will then be turned over to Wanda Woods, Director of Education and Title IX Coordinator/2710 Old Lebanon RD, suite 6 Nashville TN 37214 (615-828-1866). Again the student will be notified as to how it will be handled. If the student is not satisfied with the result, the student may contact the Board of Cosmetology and/or NACCAS, and /or Tennessee Higher Education Commission however, the Academy's complaint procedure must be exhausted prior to doing so.

To submit a complaint you may contact the Tennessee State Board of Cosmetology at www.tn.gov/regboards/cosmo/complaint or National Accrediting Commission of Career Arts and Sciences (NACCAS) at www.naccas.org ,Tennessee Higher Education Commission. CAREER PLANNING

Placement - The Academy maintains contacts in the cosmetology profession to assist students in job placement. Employers are encouraged to interview students, and every effort is made to secure a job opportunity for each graduate. Students are prepared in the latter part of training to seek employment. Job opportunities are announced and posted. The Academy cannot guarantee every student will be placed. However, we do follow-up on graduates to help us prepare new students for future job placement. The Student may request and receive assistance in job placement at any time after completing training. Assistance in no way promises employment but means that graduates may request and receive help in locating job openings. Students that follow the level system while in school are easier to place in all salons both locally and across the country.

Reciprocity - Licensed cosmetologists, estheticians and nail techs from Tennessee may apply for licenses in their field of expertise in other states and must comply with each state's laws and rules to become licensed there.

Licensing Requirements –

To become licensed in **cosmetology** in Tennessee, students must complete a minimum of 1500 hours of approved training, graduate from an approved school, and pay the required fees and pass the state board exams.

To become a licensed **Instructor** in Tennessee, a student must hold a valid cosmetologist's, manicurist's, or Esthetician's license issued by the State Board, have a high school diploma or possess a GED, complete 300 hours of approved training (within a period of six months or served as an instructor trainee for one year), graduate from an approved school, and pass the state board exams.

Disclosure: Please refer to the Tennessee Code Annotated, Title 62, Professions, Business and Trades, Chapter 4, Tennessee Cosmetology Act of 1986, Code 62-4-127, for causes for suspension, revocation, or denial of a license and therefore reasons which may prevent an individual from becoming licensed or gain employment in their chosen field.

ACADEMY POLICIES

Policies - With the enrollment agreement, each student is issued a copy of and agrees to abide by the policies for The Academy students including standards for student conduct, including attitude, appearance, attendance, and courtesy.

Standards - Students at The Academy must be an example of good grooming and should be in the best of health. All state cosmetology laws and rules are practiced and taught at The Academy. Lack of basic honesty and integrity will result in termination.

Leave of Absence Policy – A student who must take an approved leave of absence or must withdraw from training for nonacademic reasons may return to the program with no loss of satisfactory progress if the student was making satisfactory progress when the student left.

*A student may be granted a leave of absence for any of the following reasons:

- 1) Financial hardship;
- 2) Medical issues; or
- 3) Personal or family related issues.

On the day the student returns from a leave of absence the student is required to inform the financial aid office of the student's return and complete an enrollment agreement addendum. The student's contract and maximum time frame will be extended for the same number of days the student was on the official leave of absence without any penalty to the student.

The leave of absence must be requested and approved in writing prior to the leave occurring. In addition the student is required to list the reason for the leave. An emergency leave of absence, without prior written request, may be granted provided the student completes the leave of absence form and returns it to school via mail or in person.

The minimum time frame for a leave of absence is one week and the maximum time frame for a leave is 180 calendar days. The school permits more than one leave provided the total number of days of all leaves does not exceed 180 calendar days in a 12-month period.

If the student does not return from the leave within the expected day of return, the student will be dropped from the program and the student's tuition will go into immediate repayment. Leave of Absence – may have an adverse effect on class/curriculum days. All class/curriculum must be completed in order to graduate from The Salon Professional Academy – Nashville. Making up class/curriculum may require the student to attend class days even after 1500 hours have been completed.

Satisfactory Academic Progress Policy - All students attending The Salon Professional Academy must maintain Satisfactory Academic Progress which is defined as reaching each evaluation period of training with a minimum cumulative theory and practical grade of 85% grade average and 85% attendance. It is consistently applied to all students enrolled. The policy is stated in the school catalog to ensure that students receive this information prior to enrollment.

Evaluations periods

Cosmetology-at 450, 900, and 1200 (actual) hours

Instructor –at 150 (actual) hours

*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of the evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course or program, whichever occurs sooner.

Attendance Progress

Students are required to attend a minimum of 85% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 85% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Maximum Time Frame

Students must attend a minimum of 85% of the cumulative scheduled hours to maintain Satisfactory Progress and complete the course within the maximum allowed time frame. The maximum time (which does not exceed 118% of the course length) allowed for students to complete each course at satisfactory progress is stated below:

<u>COURSE</u>	<u>MAXIMUM TIME ALLOWED</u> <u>Scheduled Hours</u>
Cosmetology (Full time, 34 hrs. /wk.)- 1500 hours	1770
Instructor Training (Hours may vary)- 300 hours	354

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 85% of the scheduled contracted hours.

Academic Progress

Students are assigned classroom study and practical assignments. Classroom study is evaluated by written exams given after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. Students must maintain a grade average of 85% GPA and pass a final written and practical exam prior to graduation. The Academy utilizes a 100-point numerical grading scale according to the following scale:

- 95 -100 A = Excellent
- 90-94 B = Very Good
- 85-94 C = Satisfactory
- 0-84 Below standard – Unsatisfactory

Inadequate grades may indicate a lack of student inability or motivation. When a student is struggling in one or more areas of study or skill level, the educator will advise the student on how the deficiency can be successfully completed and determine a deadline for the work to be completed satisfactorily. The student will be notified immediately after a grading period of how the deficiency can be successfully completed. Students may receive an incomplete from an educator when the student is attempting to learn a skill or subject but needs additional time to complete the work successfully. Students will be given timelines to complete the work and a description of the work yet to be completed.

Determination of Progress Status

Students meeting the minimum requirements for academics (85%) and attendance (85%) at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students will be evaluated at the following checkpoints. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning.

Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both attendance and academic requirements, he/she may be deemed ineligible to receive Title IV funds, if applicable. Students deemed ineligible to receive Title IV funds must make cash payments for any disbursements missed due to ineligibility or will be terminated from the program.

Reestablishment of Status

A student determined NOT to be making Satisfactory Progress may reestablish Satisfactory Progress by: 1) Making up missed tests and assignments and increasing the cumulative grade average to 85% or better, and/or 2) Increasing cumulative attendance to 85% by the end of the warning period.

Reinstatement of Financial Aid

Title IV aid will be reinstated to students who have reestablished Satisfactory Progress at the next scheduled evaluation.

Interruptions, Course Incompletes, and Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

Noncredit and Remedial courses

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

Program Hours

The course hours are determined by the program taken. Your schedule is part of your enrollment agreement and is subject to change. The electronic scanner time clock keeps your hours recorded in minutes. **Even one minute late is a tardy!**

Break Time/ Lunch-Dinner

Each student is given two (2) fifteen (15) minute breaks each day.

One break should be taken the first half of their shift the other break should be taken the second half of their shift. Breaks should be taken on campus, in the student lounge, outside on lower level of the complex, or in your automobile.

Each student is given one (1) hour lunch/dinner breaks each day. Specific times are set by the classroom educator or their schedule on the floor. Lunch/dinner breaks are not optional for students of the Academy.

Absences and Tardiness

***Absences must be reported** by 8:55 a.m. or 12:55pm Tuesday – Thursday depending on assigned shift for the day and by 8:55am Friday - Saturday. Special and emergency time off must be granted. If absent the day of an exam, the student will take exam the following class day, if time allows during class, or student may be required to stay late that class day in order to take the exam.

*If absent, documentation for the absence must be provided upon returning to school. The Academy reserves the right to follow up on any documentation to confirm legitimacy of absence.

If no documentation is provided, it will be considered an unapproved absence and will result in hours that must be made up after contract graduation, and over contract fees will apply.

Be prompt! If you are tardy, it is important that you call the school and speak with the School Coordinator or educator to let them know that you are going to be late.

*Once you arrive on campus, report to the School Coordinator or Financial Aid representative, before entering class or the salon area.

*A student will be suspended per in school suspension policy after the student has been tardy (3) three times in one month.

*If a student is tardy after the in school suspension, the student will be advised that further tardiness may result in being **dropped from the program**.

*A student will be suspended per in school suspension policy if they "NO CALL – NO SHOW" and will lose their scholarship for "NO CALL- NO SHOW"

*A student may be dismissed from the program after the third "NO CALL-NO SHOW" (no call before 9:00am/1:00pm or not showing up by 9:00am/1:00pm depending on daily schedule)

*Any In School Suspension will result in loss of any scholarship that has been awarded to any student in attendance at The Salon Professional Academy

The following **attendance policy** applies to all students:

1. When a student misses two or more days in one month an educator will talk to the student about commitment to the program.
2. When a student is absent two or more days in a second month the student will be suspended per in school suspension policy.
3. When a student is absent two or more days in a third month the student may be **dropped** from the program.
4. Students may NOT leave the Academy early without permission. Any request to leave early (**more than 30 minutes**) is considered an absence, must be approved and adequate notice must be provided.
5. Leaving The Academy early (**29 minutes or less**) will count as a tardy and will follow tardy policy for tracking purposes.
6. Leaving the Academy LATE (**more than 30 minutes late**) or working through lunch/dinner is not accepted by the Academy. Any student that leaves the Academy late more than 3 times will be written up.
The student will be placed in ISS if they have 3 write ups.

Leaving The Academy early without approval will result in In-school suspension the following salon floor day, and loss of scholarship.

****Other absences may be requested at least seven days in advance if the student has an 85% grade average, 85% attendance, NO unapproved absences, NO suspensions, NO disciplinary actions, AND makes up all work missed. (See absence request form.)**

APPROVED ABSENCES:

- #1. Illness of student or student's immediate family - living within the household (child, spouse, parent, significant other) with a doctor's excuse that can be verified with a phone call from School Coordinator or Financial Aid Representative
- #2. Funeral of a family member (child, spouse, parents, sibling, grandparent, significant other) with documentation from Funeral home or Crematory – (death certificate) that can verified with a phone call from School Coordinator or Financial Aid Representative
- #3. Car accident or moving violation, with Police Report/ticket.
- #4. All doctor appointments require a doctor's written excuse. (Example: medical, dental, vision, well-woman, pregnancy) that can verified with a phone call from School Coordinator or Financial Aid Representative

Hours missed for Approved Absences should be made up **before contract graduation** or the student will be over contract even though absence was approved.

Please remember that taking time off may put you over your contracted graduation date and result in additional charges and may hurt your chances of receiving financial aid if you are not making satisfactory progress.

All missed hours, along with curriculum and course work must be completed before graduation. Any of those not completed before contract graduation may result in additional charges.

Time Clock Policy & Student ID's -Each student receives a student ID card that allows the student to buy professional **retail** products at local distribution stores. Students buy at cost like salon professionals. **Students should not purchase color, permanent waves or relaxers to perform services outside of The Academy as it is again TN state law to perform services in an unlicensed facility.**

Purchases made at the school are at retail prices. Shop at the distributor and save.

Losing the ID means losing the ability to shop.

Replacement bar code ID cards cost \$10 cash. Do not lose this card.

Students record their hours daily using the electronic biometric finger print scanner.

Students must clock hours at the beginning of their shift and at the end of their shift, at the beginning of their lunch break and at the end of their lunch break. Any hours over a ten hour period in a day will be deducted by the time clock per Tennessee state law.

Students may scan in up to 15 minutes before the scheduled starting time.

As the finger print is scanned the time clock will verbally "thank you" if the print was read correctly. If not, it will ask you to "please try again"

The time clock is how the student receives and records hours. It's an electronic signature.

The student is responsible for clocking in and out each day in order to receive their hours.

Time Clock guidelines; Cosmetology students are given a nine (9) week grace period while in Foundations in order to learn how to use the time clock. After that time, students are responsible for all time clock entries. Failure to clock in/out correctly will therefore affect contract graduation date.

No manual time clock entries will be made by administrative staff or Educators once the student has completed their scheduled time in FOUNDATIONS training.

Students risk being dropped for The Academy for falsifying time clock records in any way.

Get full credit for all your training and graduate on schedule. Use the time clock scanner to help achieve this goal.

Accurate records affect financial aid. Accurate records affect extra tuition charges. Accurate records affect the required 85% attendance.

Student hours are posted weekly, please check your hours each week when they are posted.

A student may be sent to In-School Suspension for all or part of a day for not following these policies

A fashionable appearance includes clean, pressed clothing in good condition and clean shoes. Your hair, makeup, nails, posture, clothing, shoes and smile are part of your total look. All state cosmetology laws and rules are practiced and taught at The Salon Professional Academy. The Academy's goal is to prepare students for placement in the salon & spa industry. Social Media posts containing any reference to The Salon Professional Academy and/or your new career should be made with caution. A student's professional conduct is very important to future employers. Lack of basic honesty, professionalism, and integrity may result in termination from the program.

Students will be under the supervision of educators at all times. Always get an educator's consultation before you proceed with guest services. You need an educator's permission to have personal services done during school time.

Choose your words carefully. Swearing and other improper language will not be tolerated. A professional does not complain or gossip.

Students will be suspended for swearing or using improper language. Do not gather at the reception desk, in the salon area, or around a station where another student is working with a guest. Students will be under the supervision of educators at all times. Always get an educator's consultation before you proceed with guest services.

Learning

Subjects being taught are reviewed and built upon constantly. If you don't understand a subject, seek help from an educator. Our goal is to assist your learning. Your goal is to learn as much as you can. Learning and memorizing are not the same. Learning means you take what is covered into your thinking and can use it. Memorizing is short term and will not last.

When a student is booked for services, if a paying guest comes into the salon area for services – the student will be removed in order to provide services to the guest.

If the student is paying full price for the service with cash, check or credit card they will be considered a salon guest and their service will continue as scheduled.

Students are NOT allowed to do their own hair, nails and/or make-up in the salon area at any time. Students observed doing their own hair, nails and/or make-up will be clocked out, and not receive hours for time doing their own personal services. Students will also be asked to pay cash, check or credit card for any Academy product that they used on themselves without permission.

Students should not receive personal services while working on a guest.

Once the student goes into the Salon Area, if they choose to wear hair color, the only brand that is permissible while in school is Redken. Any student that chooses to wear hair color other than Redken will be asked to change their color, at their own expense, and on their own time. The student will be placed in In-School Suspension until haircolor can be corrected.

*****It is unlawful to perform hair, skin, and nail services in an unlicensed facility. Graduation, Licensure and Job Placement Rates (NACCAS Annual Report):

For the year 2015 the Academy boasts the following rates:

Completion Rate: 84.78%

Licensure Rate: 97.06%

Job Placement Rate: 79.49%

Department of Education rates:

Annual rates are based on the 12 month period ending August 31st of the prior year. The rates will track the outcomes for students for whom 150% of the normal time for completion or graduation has elapsed. Normal time is the amount of time necessary for a student to complete all requirements for a degree or certificate according to the institutions catalog.

The Graduation / Completion rate for 14/15 : 86.54%

Physical Demands:

There are physical demands placed on the body in any career. In cosmetology arts and sciences, care must be taken to protect your back, legs and feet. One way to do this is strength training to enhance your back, abdomen and leg muscles. Regular weight lifting exercises will benefit individuals in this profession. Regular exercise will help to promote all over body conditioning, and will improve circulation in your legs and feet.

*We recommend consulting your doctor before starting any exercise program.

Because this job requires that you stand for long periods of time, it is suggested that you wear proper fitting, supportive shoes, and support hose. These are not a requirement but will help to increase your chances of longevity in the profession.

Sitting is not allowed on the salon area floor at any time unless providing nail services or facial services to a guest.

Safety Requirements

Safety suggestions for this profession include wearing shoes that would not be slippery when walking on a damp floor. Because you will always be working with water, there is a risk of water spills. Damp hair lying on the floor can also pose a chance of slipping. All hair needs to be swept up following each haircut to minimize accidents. All water spilled should also be wiped up as quickly as possible. It is the responsibility of each stylist to promote a safe work environment.

Gloves should be worn during chemical services to reduce any allergic reaction that an individual may have to certain chemicals.

Any product that would accidentally get in the eyes should be flushed thoroughly with water. Seek medical attention if irritation continues.

REFUND POLICY – NOTICE OF CANCELLATION

For applicants who cancel enrollment or students who withdraw from enrollment a fair and equitable settlement will apply. The following policy will apply to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure.

If a course and/or program is cancelled subsequent to a student's enrollment, and before instruction in the course and/or program has begun, the school will either provide a full refund of all monies paid or provide completion of the course and/or program. - Students who withdraw or terminate prior to course completion are charged a cancellation or administrative fee of \$100.00. This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in the catalog and in this enrollment agreement.
- If a Title IV financial aid recipient withdraws prior to course completion, a calculation for return of TIV funds will be completed and any applicable returns by the school shall be paid, as applicable, first to unsubsidized Federal Student Loan Program; second to subsidized Federal Student Loan Program; third to Federal Pell Grant Program; fourth to other Federal, State, private or institutional student financial assistance programs; and last to the student. After all applicable returns to TIV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.

COLLECTION POLICY

The school expects tuition and expenses to be paid in a timely manner. The school provides the courtesy of a collection phone call or written notice to a student when a payment becomes a few days past due. Once a student's account exceeds 30 days past due and no alternative payment arrangements have been made, the account is subject to being turned over to a collection agency and reported to the appropriate credit bureaus. All fees incurred due to collection efforts (**including collection attorney fees**) will be added to the student's total balance due.

The school provides necessary documentation to collection agencies and credit bureaus to assist in collecting payment for past due accounts. Signature from third party agency is required on documentation provided. As with in-house collection efforts, all fees incurred will be added to the student's total balance due.

If promissory note or contract for tuition is sold or discounted to a third part, the third party agrees to comply with the refund policy of the school.

Un-Official Withdrawal - When a student is absent for 14 calendar days, without an approved leave of absence, the academy must withdraw the student from the program. The financial aid officer will attempt to contact by telephone the student after 10 days.
